THIS WEEKS QUOTE:
Too often we give children answers to remember rather than problems to solve.

-Roger Lewin

Congratulations to our wonderful students who represented the school at the Zone Cross Country at Fagan Park last Wednesday. They all ran extremely well and should be congratulated on their achievements. A special thank you to the parents for assisting with the transportation to and from Fagan Park.

This week the students will be starting to prepare items for our Story Book Garden, which Mrs Hoogesteger and the 5/6 students have been planning and designing. The Forsayth family has kindly donated two winged back chairs and two benches, made from wooden pallets, to be used in the garden. These will be sanded and painted by the students, under supervision. Mr Mick McCauley (a former parent of Hillside) has kindly agreed to assist with this project and so will be working with the students. Last week he came and took the senior boys for a game of soccer. We really appreciate him giving his time to work with our students.

We have not yet heard anything further on the robbery that occurred last week, but we will definitely keep you informed of any developments. This week the school is running the Interrelate program for students in Years 3 to 6. The first session begins at 6pm and the second session begins at 7:15pm. This program comes highly recommended. It is still not too late if you and your children wish to attend.

Final arrangements are being put in place for the students in Years 4 to 6 to attend the Aussie Bush Camp at Tea Gardens. Notes will go home this week outlining what students are to bring, medical information and dietary requirements. Mrs Fraser and I will be attending camp with the students for the three days. We are really looking forward to the camp and experiencing all the wonderful activities being offered.
